Circular dated 2nd September 1947.

To

All the Drawing and Treasury Officers in the State.

Subject :—Government Order No. Fl. 1155-1221—S & A, dated 14th August 1947 sanctioning an advance of one month's pay as on 1st August 1947 to all Non-Gazetted Government servants of the State including Railway employees.

No. 461—B. II. In continuation of this office Circular instruction No. 459—B. II, dated 19th August 1947 on the above subject, the following supplementary instructions are issued for the guidance of all Drawing Officers (*vide* Government Order No. 1475-1544—S. & A. 34-47-4, dated 30th August 1947).

1. In the case of those who have been entertained subsequent to 1st January 1947 and to whom the advance has already been paid, the recovery may be made in six monthly instalments provided however if the official is likely to leave service earlier than 6 months, the period of recovery may be correspondingly reduced.

2. In the case of officials working in Departments like the Food and Civil Supplies Departments where the great majority of the staff have their lien in other Departments of Government and draw temporary rates of pay in the departments to which they have been lent and the revision of the pay of their substantive pay posts from 1st January 1947, is not likely to have any financial effect in their temporary posts, the Drawing Officers have to exercise their discretion and grant advances only to such of the officials from whom recovery can be easily effected.

3. In the case of advances made to daily rated staff such advances may be treated as payment of wages made in advance for their service rendered during the month following the payment of advance.

4. The payment of advance is admissible to the monthly rated employees of Industrial Concerns as in the case of Railway employees.

5. This advance of one month's pay is also admissible to the temporary staff appointed for definite period on a fixed or graded pay provided the Drawing Officers can recover the advance in not more than 6 months after the payment of advance. But temporary staff entertained against leave vacancies are not entitled to the advance if they do not satisfy the above condition.

6. In the case of the staff whose pay is chargeable to Work Establishment the advance is payable subject to the condition that the Drawing Officer is held responsible for the recovery.

7. Probationers who are drawing fixed rates of stipend are entitled to the advance if they are likely to be absorbed in regular vacancies and the recovery can be ensured.

8. In respect of daily rated employees, the advance to be paid should be on the basis of 26 days exclusive of overtime.

9. In the following cases the advances of one month's pay is not admissible:—

(*a*) Locally available candidates in superior service appointed prior and after 1st January 1947.

(*b*) The officials who died during August 1947 and who otherwise fulfil all other conditions.

(*c*) Retired employees re-employed in Government Service.
